

Hastings High School maintains a strong tradition of excellence. Founded in 1873, the High School has graduated thousands of students over the years—students who have gone on to become productive citizens in communities here and throughout the world.

For its many graduates, Hastings High School is a storehouse of memories. Now, through the Hastings Public Schools Foundation Brick Project, you can help perpetuate these memories by purchasing a brick to be inscribed according to your wishes. At the same time, your contribution will be a way for you to give back some measure of the advantages you've come to realize as a result of being a graduate of Hastings High School.

MAIL to Hastings Public Schools Foundation, 1924 West A Street, Hastings, NE 68901

We invite you to support the Hastings Public Schools Foundation by purchasing a brick for the courtyard surrounding the digital sign on the grounds of Hastings High School at the corner of 14th Street and Burlington Avenue.

Through your donation, you are contributing to the success of HPS Foundation programs which support the Hastings Public Schools, including student scholarships, Staff Idea Grants, and general academic programming.

There are many reasons to purchase a brick. Below are some possibilities:

1. To memorialize a friend or loved one
2. To honor a teacher
3. To honor parents
4. To create a legacy of your time at HHS

Inscribed bricks are being laid to form a courtyard area around the digital sign.

This courtyard will continue to grow indefinitely as bricks are purchased.

Bricks may be purchased any time of the year and are available in two sizes: 4" x 8" or 8" x 8".

Remember, besides creating a lasting legacy, instituting special memories, or just honoring your school, you are supporting important educational endeavors with each brick that you purchase.

Please fill out the form to the right to order your brick(s). If you have any questions or need additional information, please contact the HPS Foundation Office: 402-461-7564.
