Dear Parents/Guardians,

Thank you to all of you that took time out of your busy schedules to come in and help out during our Halloween parties. The students enjoyed having you here!

We are always working hard to ensure that our students are safe at pick up and drop off time. Please remember that if you are picking up or dropping off in the circle drive that students should only be entering or exiting your vehicle if you are parked in a parking spot or are at the crosswalk. We do not want students running between the vehicles since it poses a safety risk! If there are open parking spots in the circle drive, please go ahead and park. If there are no open parking spaces and your child is not ready at the crosswalk, you will need to drive back around so that we don't keep traffic stopped on the street. Thank you for your help in keeping our children safe!

Please remember that we do not have outside supervision in the morning before 7:40am. In order to ensure that everyone stays safe, students should not be at school until after that time.

As always, please feel free to contact me with any questions that you have.

Ms. Kimball

LION'S LEADERSHIP NEWS

Thank you to all the Lions Leadership members for making Red Ribbon Week this week such a success! We would also like to congratulate Brady Scheierman on being named President and Payton Powell on being named Vice President of Lion's Leadership.

Reminder: If your child is absent from school, please call the front office to let us know so we can mark it accordingly! Also, keep the office up to date with current phone number and address!
